PROFESSIONAL SUMMARY

Dynamic and innovative Machine Learning Intern with expertise in Python, data analysis, and full-stack web development. Proven ability to enhance model performance through effective problem-solving and collaboration. Skilled in both front-end and back-end development, thriving in agile environments to deliver impactful solutions with strong communication and teamwork. Passionate about AI and machine learning, with hands-on experience in developing and optimizing models.

EDUCATION

Bachelor of Technology (B.Tech) - CSE (AI & ML)
Reva University – Bengaluru, India
Dec 2023 – Present

Diploma in Computer Science Engineering (CSE)
Acharya Institute of Technology – Bengaluru, India
Dec 2020 – June 2023

EXPERIENCE

Full-Stack Web Development Intern

Parvam Software Solutions – Bengaluru, India

Jan 2023 – June 2023

- Assisted in developing and maintaining responsive web applications using HTML, CSS, JavaScript, PHP, and Express.js.
- Participated in Agile development processes, including daily stand-ups, sprint planning, and retrospectives.
- Designed and implemented new features, conducted testing, and resolved bugs to enhance performance and user experience.
- Developed robust databases for web applications, enhancing data management and accessibility.
- Collaborated with senior developers to complete projects seamlessly and efficiently.

Machine Learning Intern (Online)

Qbits Learning – Bengaluru, India

Nov 2024 – Jan 2025

- Developed and implemented machine learning models using Python libraries like scikit-learn and TensorFlow.
- Conducted data cleaning, feature engineering, and exploratory data analysis on large datasets.
- Collaborated remotely with team members using Slack, Zoom, and other online tools.
- Optimized model parameters and evaluated performance using metrics like accuracy and F1-score.
- Documented the development process, experiment results, and insights for future reference and stakeholder review.

SKILLS

- Python
- SQL database management
- HTML and CSS
- Basic javascript
- Machine learning basics

CERTIFICATIONS

Full-Stack Web Development Internship Certificate – Parvam Software Solutions (Jan 2023 – June 2023)

Machine Learning Internship Certificate – Qbits Learning (Nov 2024 – Jan 2025)
